### **Draft Area Structure Plan**

Since May 2014, The City has been working with landowners and the public to prepare the Haskayne Area Structure Plan. Please join us at an open house on **Tuesday, March 3, 2015**, to provide input on the draft Haskayne Area Structure Plan. This is the final step in the consultation process (please see pg. 2 for an illustration of the project process) before presenting the proposed plan to the Calgary Planning Commission and City Council for approval.

If you are not able to attend the open house you can also view the display boards and provide your input at [calgary.ca/haskayne](http://calgary.ca/haskayne) from March 3 - 17, 2015, or by contacting the Project Manager, Chris Wolfe.
